It is time to make major investments in transit *including HandyDART*, to make Metro Vancouver a truly accessible region.

A photograph of an elderly couple sitting on a couch. The man is on the left, wearing a dark jacket and tan pants. The woman is on the right, wearing a black jacket and glasses. Overlaid on the image is the text 'Taxi ≠ HandyDART' in a large, blue, stylized font.

**Taxi ≠  
HandyDART**

The Mayors of Metro Vancouver have proposed increasing HandyDART service hours 30% over 10 years. But their proposal needs approval from Premier Christy Clark, and to pass in the transit funding referendum she has imposed.

Come and learn about how you can get involved in campaigning for better HandyDART service!
